**Secret ballot - Wikipedia**
The secret ballot, also known as the Australian ballot, is a voting method in which a voter's identity in an election or a referendum is anonymous. This forestalls attempts to influence the voter by intimidation, blackmailing, and potential vote buying. This system is one means of achieving the goal of political privacy. Secret ballots are used in conjunction with various voting systems.

Jan 21, 2020 · A 44-year-old man Andrew Carlssin was arrested on Jan 28, 2003, in Toronto, Canada, by FBI. He was detained on the suspicion of illegal inside information of the stock market. Because on the course of two weeks by investing just $800 he made out with over $350 million.

**Law of persons in South Africa - Wikipedia**
Objective and subjective law. As a discipline, the law of persons forms part of South Africa's positive law, or the norms and rules which order the conduct or misconduct of the citizens. Objective law is distinguished from law in the subjective sense, which is 'a network of legal relationships and messes among legal subjects', and which deals with rights, or 'the claim...
